

## 9 songs about America

It looks like the pending technical default of the Unsinkable aircraft Carrier of the world economy just stirs the Patriotic feelings of the Americans. The website fashionindie.com decided to support the spirit of the fallen compatriots and published by expression the wording of the offering of our great nation. In General, what happened is happened... The first number in the playlist is somehow tinag- icon Miley Cyrus song Party In The USA The second composition - Gramineae a cover version of the hit 70-year canadian group The Guess Who performed lenny Kravitz. Tellingly, the song sounded very organic in quite a parody of action movie Austin Powers The Spy Who Shagged Me 1999 release The third track - American Girl performed by Tom petty amp The Heartbreakers song among others included in the list of The 100 Greatest Guitar Songs of All Time 100 best guitar songs of all time Rolling Stone magazine. As they say in writing it Tom petty was inspired by the real story jumped off a skyscraper girls. These teenage sweethearts In crisis situations behave just like the financiers on wall street. Not all of the American Pie will cause Association with the famous plane crash which killed buddy Holly, Ritchie Valens and J. P. Richardson, however, considered that the author of the song American folk singer Don McLean was referring to this event. However he never explicitly did not recognize despite the fact that the eponymous 1971 album was dedicated to buddy Holly American Idiot performed by Green Day. Comment on in General and there is nothing unfortunately, this is not a purely American phenomenon and is American could stand say Russian The next track - Living in America James brown 1986.. the Song is so right in a bad way that even served as a musical portrait of such a character as Apollo Creed in Rocky IV Americano performed by Lady Gaga - we once thought that everything is exactly as in this song... The eighth track song What You Own from RENT the musical based on the Opera by George. Puccini's La Boheme. Instead seamstresses here bdsm dancer instead of the artist - an unemployed film Director instead of singer - actress is a lesbian. The philosopher remains a philosopher but was in addition gay and an anarchist. The role of tuberculosis - AIDS. This is America son... And finally - where the same without the old man Springsteen - Born In The U. S. A. the Apotheosis. Tears of emotion. Gun salute. Asif Kapadia continues the study of the phenomena of British musical culture. Music Blue Daisy born on the dark side of the tracks catches the listener with brutal force. His recent mini-album, Angels amp Demons was a stunning release filled with ideas and determination. Working on one of the tracks for the new album, producer Tricky has surprised all fans of strange dark music releasing a new mini-album which you can download for free. Punk musician became the most famous writer in modern music
