At the Congress the organization of the boy Scouts of America which was held in Texas by a majority of votes were voted to lift the ban on the membership of gay Teens reports the BBC. For the abolition of voted more than 60% of the 1,400 members of the Council. While adult gays to become scouts is still prohibited. The decision will come into force from 1 January of the following year. Part of the scout movement with liberal vzgljady has long believed that the prohibition was not only outdated but discriminatory. But the conservative wing all also called for a ban. Homosexual behavior is incompatible with the principles consecrated by the oath and law scouts are confident his representatives. - Because the text of the scout oath was written in 1911, contains the words my honor is to try to maintain physical strength, mental vigour and moral rigour. The question of immediate abolition was imposed on the discussion Board of the boy Scouts of America in February of this year. But then failed to reach a consensus. That is why the question brought to a national Convention. If the new order of adoption of the scouts will be introduced to life some of the already existing members of the organization talk about its absurdity. Because adopted Teens are gay when they reach adulthood will have the... to leave. Additionally, some fear that the number of conservative and religious organizations may cease to provide the scouts with financial support. We will remind, today in the organization of the boy Scouts of America was composed of more than two and a half million adolescents and about one million adults.
